PUBLIC HEARING OPENED. A communication dated July 30, 2010 with attachments was received as follows:

Subject: Roadway Improvements; unnamed access road at Four Corners

This letter is in regards to the deplorable condition of the access road located between Lexington Street and Russell Street. The City of Woburn holds not title to the property, it is privately owned by 3 separate businesses that over the past few years have not assisted in any payment to the upgrade of this roadway.

The roadways infrastructure is terrible, and has become a safety concern to drivers looking to travel down the road. Some potholes measure up to ten feet wide and nearly a foot deep, causing numerous drivers to have their cars damaged and contact the DPW to help assist in payment for the repairs.

The DPW and Engineering Department has been dealing with this issue for several years and is requesting that improvements may be done to the roadway in order to allow citizens a safe route to travel down without fear of damage to their vehicle. This roadway

is in urgent need of repair and it is in the City's best interest to proceed with improvements.

If you have any questions or comments please feel free to contact me at your convenience.

Thank you very much,
s/Thomas C. Quinn, Acting Superintendent
Department of Public Works

Dear Members of the City Council:

Submitted for your consideration at your meeting on August 3, 2010, is an Order by which you can authorize the Mayor to accept the conveyance of a strip of land along the above referenced parcel. You may recall this was required as a condition of the Special Permit which was granted to the property owner and Hess Corporation by vote of the City Council in December 2008. Attached is a final draft of the deed and accompanying Plan, which is in accord with the prior vote of the Council in connection with the Special Permit.

I believe only one reading is required, should you be inclined to vote on this matter at your August 3rd meeting.

Thank you for your courtesy.

Sincerely, s/John D. McElhiney
Attached thereto was the following Order:

ORDERED That the Mayor be and is hereby authorized to accept, on behalf of the City of Woburn, the grant of certain property at 306 Montvale Avenue, from Robert McSheffrey, Trustee of 306 Montvale Avenue Realty Trust, said land containing approximately 1,587 square feet, and being shown on Plan dated December 3, 2009, said parcel of land to be deeded to the City in compliance with a condition of a certain Special Permit issued to the Grantor and Hess Corporation, on December 26, 2008.

A communication dated July 27, 2010 with attachments was received from Joseph R. Tarby III, Murtha Cullina LLP, 600 Unicorn Park Drive, Woburn as follows:

Re: Dole and Bailey, Inc., 16 Conn Street, Woburn, Massachusetts

Dear Mr. Campbell:

Please be advised that I represent Dole & Bailey, Inc. (“Dole & Bailey”) in connection with its Landowner’s Decision and Notice of Special Permit issued by the City Clerk on October 23, 2008, (the “Special Permit”). As a result of current economic conditions that build out of the accessory retail area has not yet commenced.

Therefore, on behalf of the Petitioner, I respectfully request that the City Council extend the time period for the Petitioner to exercise its rights under the Special Permit for an additional two (2) year period to October 23, 2012.

Should you need any further information, please do not hesitate to contact me. Thank you.

Very truly yours, s/Joseph R. Tarby III

A communication dated July 30, 2010 with attachments was received from Joseph R. Tarby III, Murtha Cullina LLP, 600 Unicorn Park Drive, Woburn as follows:

Re: Modification to Landowner’s Decision and Notice of Special Permit issued to Self Storage Group LLC

Dear Mr. Campbell:

Please be advised that this office represent Self Storage Group, LLC (hereafter “SSG”). On May 27, 2010 the City Clerk’s Office issued two (2) Landowner’s Decision and Notice of Special Permit to Town Fair Centers of Massachusetts LLC (hereafter the “TFT Special Permit”).

Condition 13c. of the TFT Special Permit states that said Special Permit is contingent upon the City Council modifying the Landowner's Decision and Notice of Special Permit dated July 31, 2009 issued to SSG (the "SSG Special Permit") to restrict all entering and exiting traffic to and from Washington Street to right turns into and right turns out of the site. In addition, said modification shall prohibit left turns into and left turns out of the site to and from Washington Street.

Therefore, on behalf of the SSG, I respectfully request that Condition Number 13 of SSG's Special Permit (copy enclosed) be amended by deleting the first sentence in said Condition 13 which states "That Traffic exiting the site shall be restricted to right turn only" and replacing with:

"That traffic entering and exiting the site shall be restricted to right turns only to and from Washington Street. In addition, left turns entering and exiting the site to and from Washington Street shall be prohibited."

As you may recall during the public hearing on the TFT Special Permit the City Council agreed it would handle this request as a minor modification to the SSG Special Permit. Due to the fact that a closing on the property to be purchased by TFT is scheduled for August 2010, I respectfully request that you take action on this request at the City Council meeting scheduled for August 3, 2010.

Thank you.

Very truly yours, s/ Joseph R. Tarby III
